Requested Motion or Item Title:

Public Hearing and Resolution to Abandon a Portion of County Road No. 220 a/k/a Jim Waters Road

Summary / Background Attach Detailed Summary:

The attached petition has been submitted requesting that the Commissioners consider abandoning a portion of Jim Waters Road. In accordance with Georgia law, the Commissioners must hold a public hearing on this issue before taking action to formally abandon this portion of Jim Waters Road. The attached public hearing notice was published in the Statesboro Herald on Tuesday, February 5th and Tuesday, February 12th, and property owners on the road were personally notified of the hearing with a letter sent via regular U.S. mail. If, after conducting a public hearing, the Commissioners find that abandonment of a portion of County Road No. 220, also known as Jim Waters Road, is warranted because it has ceased to be used by the public to the extent that no substantial public purpose is served by it or its removal from the county road system is otherwise in the best public interest, then the Commissioners may adopt the attached resolution to certify abandonment of the road.
